Show Shoosha's movement with an arrow on a number line. Insert the missing signs and numbers to record his movements in the math language.

Shoosha is at the **point 0** and jumps to the right 1 time.

0	1	=	1						
---	---	---	---	--	--	--	--	--	--

Now Shoosha is at the **point 1** and jumps to the **right 1 time**.

1	1	=	2						
---	---	---	---	--	--	--	--	--	--

From the **point 2**, Shoosha jumps to the **right 1 time**.

2	1	=							
---	---	---	--	--	--	--	--	--	--
