

NUMBER 7

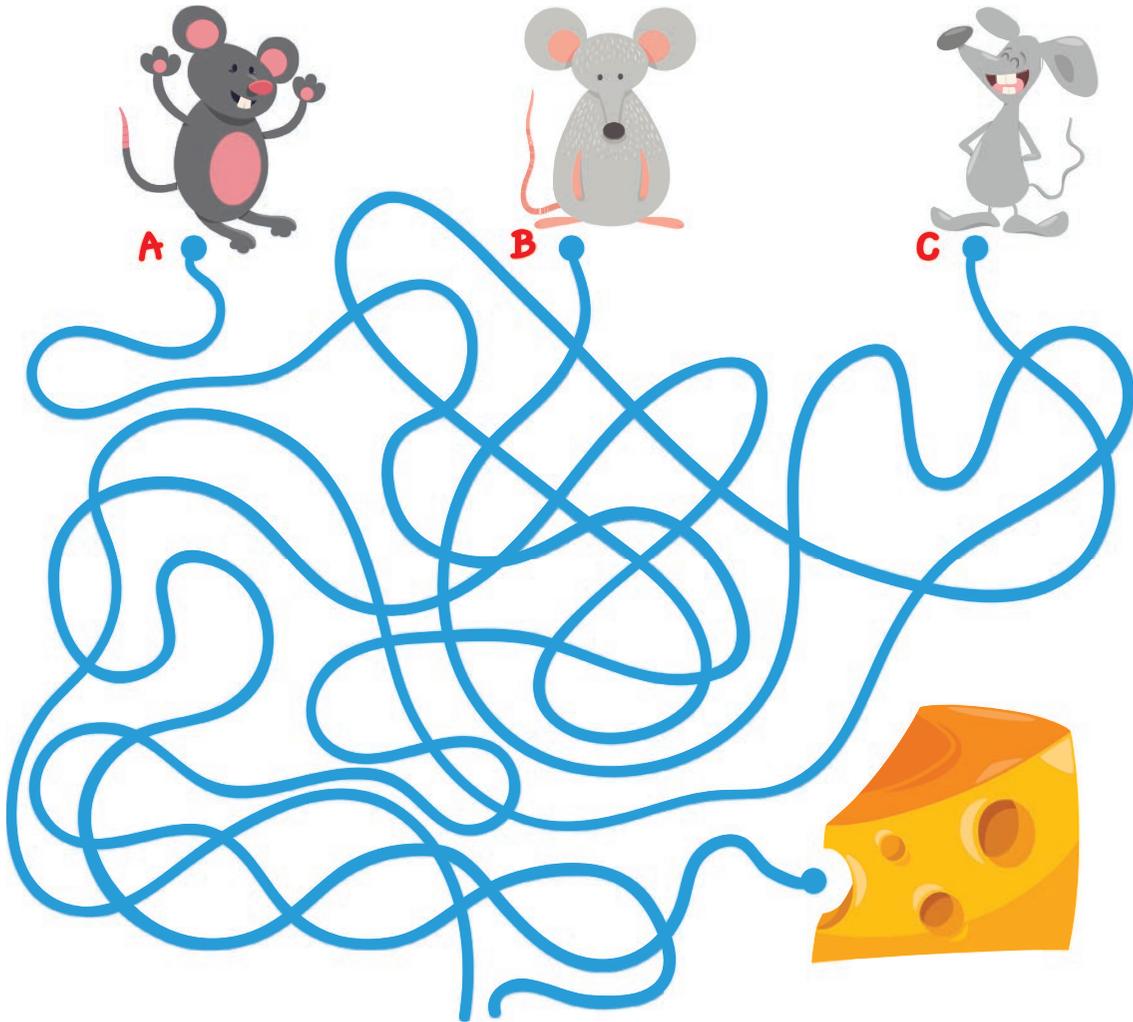

Help Shoosha write a beautiful 7.

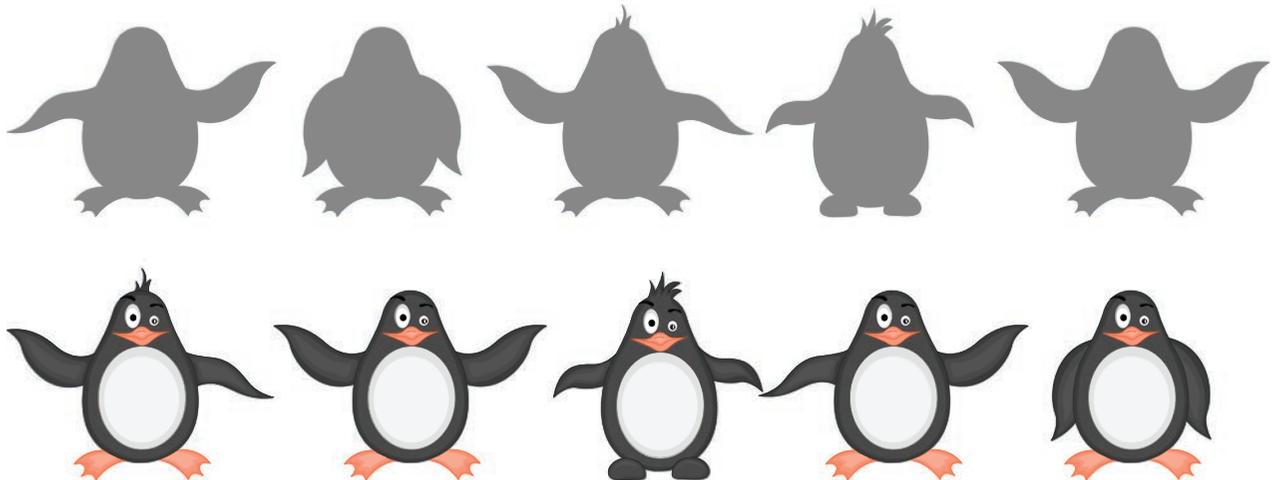

Tracing practice lines for the number 7. Each line consists of a solid top line, a dashed middle line, and a solid bottom line. The first line starts with a solid number 7, followed by four lines of dashed number 7s for tracing.

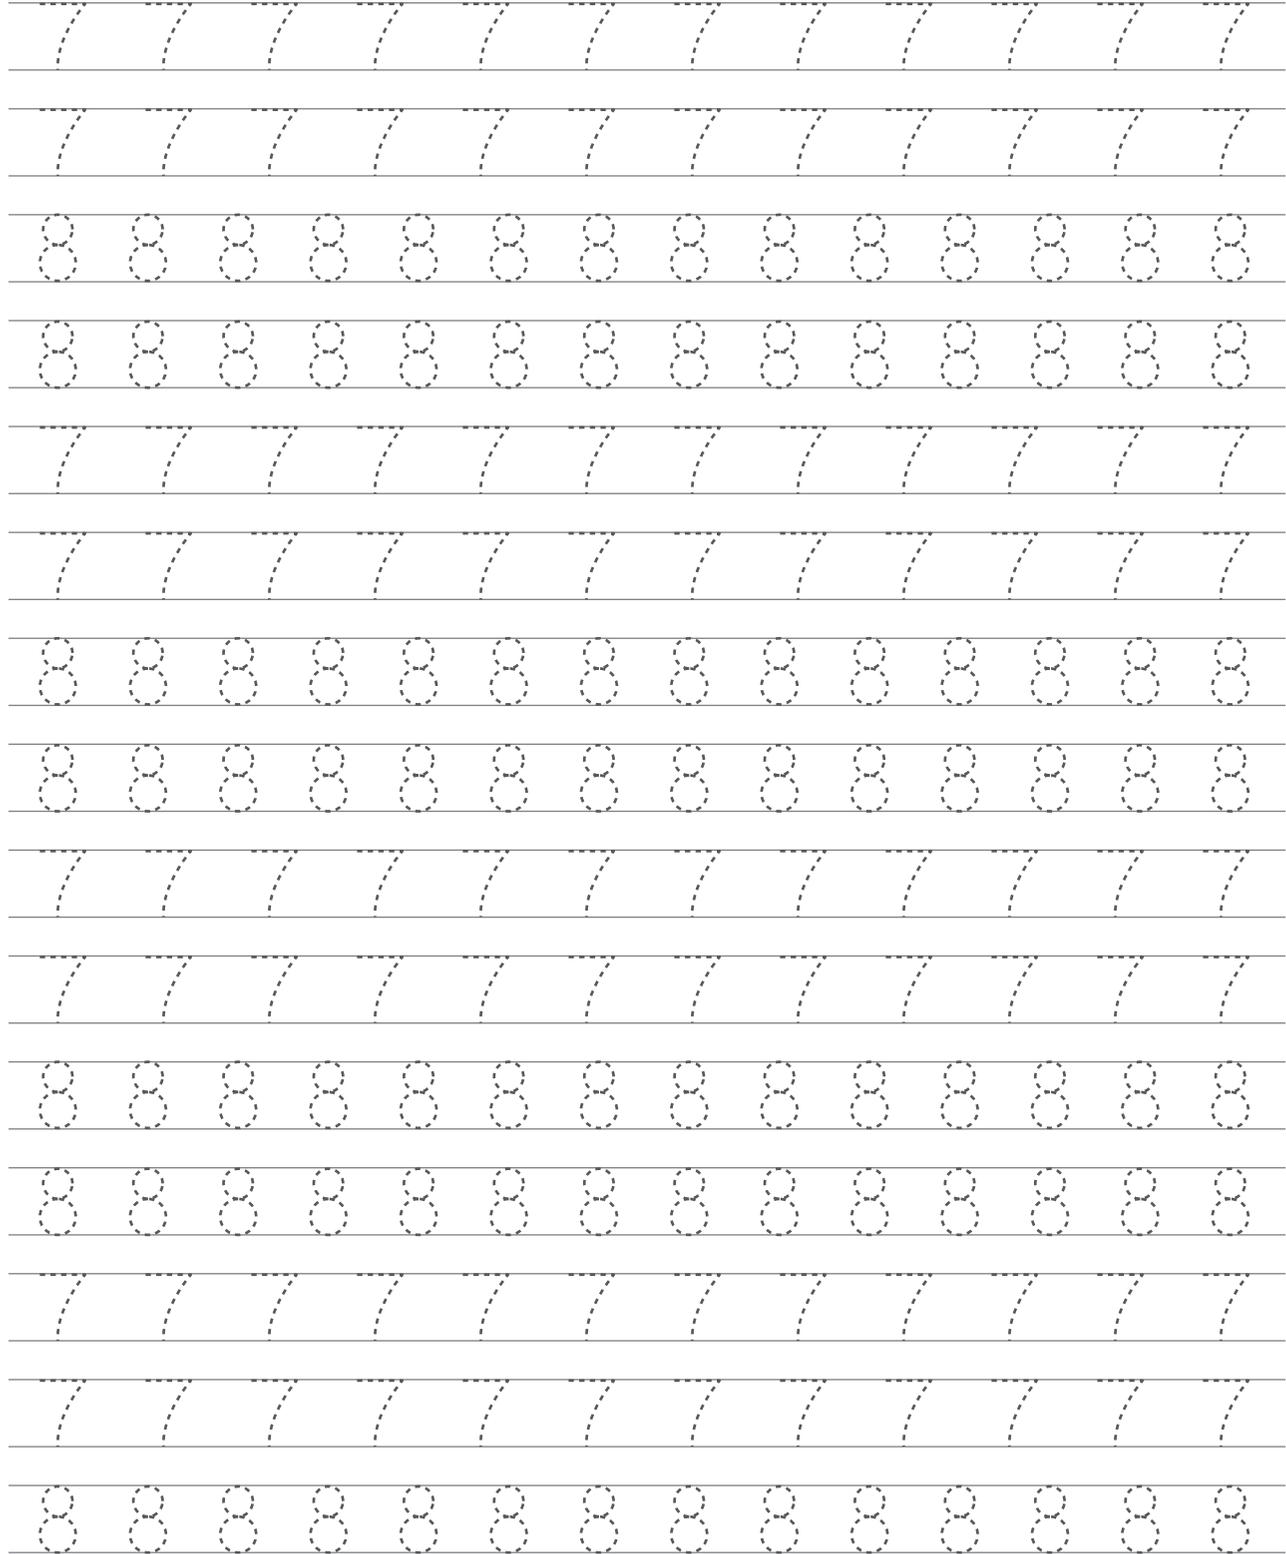

Which mouse will get the cheese?

Match the shadows.

Number tracing practice

A large grid of tracing practice lines. Each row consists of two horizontal lines with a dashed midline. The grid is organized into several groups of rows. The first group contains two rows of curved lines starting from the top line and ending at the bottom line. The second group contains two rows of the number '8', with the top row having a dashed '8' and the bottom row having a solid '8'. The third group contains two rows of curved lines. The fourth group contains two rows of the number '8'. The fifth group contains two rows of curved lines. The sixth group contains two rows of the number '8'. The seventh group contains two rows of curved lines. The eighth group contains two rows of the number '8'. The ninth group contains two rows of curved lines. The tenth group contains two rows of the number '8'. The grid is enclosed in a decorative blue border with a scalloped bottom edge.
